

# The King's Ken

31 MAY 2017

Leading  
like Jesus

For the last two weeks The King's Ken deliberated about what type of graduate we want our school to turn out. Some Christians will see their salvation just as a 'ticket to heaven', but we hope that our graduates will live as people embodied by the Gospel, living transformed lives.

I would love to see our graduates characterised by three qualities: Incarnational Leadership, Redemptive Purpose and Missional Community. This week we'll look at Incarnational Leadership. In South Africa, our school curriculum concentrates way too much on good leadership. We should be teaching kids about good followership. This is what Jesus modelled for us. He regularly says things like "I do nothing except what I've seen the Father do before me" and "I finished the work that you [the Father] gave me to do". Out of his obedient following, his leadership flowed.

In the Jewish culture, there is a blessing that says "may the dust of your rabbi stick to you". In other words, may you follow so close behind that his dust covers you. We are training our students to follow Jesus like that, and as Jesus 'dust' sticks to them, that they will be influencers and leaders out of that.

May we not only teach Incarnational Leadership to our kids, but may our teachers also model Incarnational Leadership in their daily lives. We are desperate for God's Holy Spirit to empower this process. "I pray that out of his glorious riches, God may strengthen you with power in your inner being by His Spirit, so that Christ may dwell in your hearts through faith".

*Mr. Ken Langley*  
Principal

*The word Christian was coined to describe the followers of the Way in the early church of the book of Acts. It literally means 'little Christ' and does not indicate followers who are deities, but rather followers who strive to lead and influence exactly as Jesus did.*

We had an exceptionally busy week of sport. All of our teams have played their hearts out!

**SOCCER** 

The soccer boys played Dominican College on Wednesday and played their best! We have mixed results with the Open and u/16 teams losing and the u14s winning by one goal.

**KNOCK OUT CHALLENGE** 

Our little soccer stars have been participating in a Protea Knock Out Challenge and the u/11s and the u/9s have been going through to the next rounds. Unfortunately the u11s lost and the u9s will be going through to yet another round. Good luck to the u/9 Soccer Players!

## |||| HOCKEY:

The hockey players (both boys and girls) had a great day where both Allen Glen and Linden came to play our teams. The 1st Team Boys' played Hoërskool Linden and after a grueling game, we drew 2-2. "It was the best match that my boys' have ever played", said Mr. Berrangé. The juniors had a rough game and unfortunately lost. And both of the girls' teams played outstanding games against Allen Glen and both teams won 1-0.

## |||| BOYS HOCKEY:

The Hockey Boys and girls played Aitken and Boden Cup. The tournament happened over three days with a total of six matches per side. It has been a freezing weekend but the boys kept their heads up and their hearts warm.
