DEAR PARENTS,

Thank you for your continued support of excellent Christian education to the glory of God. As we all struggle to meet ends in this time of economic difficulties and budget shortfalls, our Board of Directors have worked hard to keep next year's fee increase to the minimum. In fact, it is the lowest annual increase we have had on fees over the last 15 years. The average fee increase for next year is 5,9%.

In addition, we have retained a discount of 9% for fees paid annually in advance by 31 January 2018, meaning that you can qualify for fees that are not only not increased, but actually less than this year's fees!

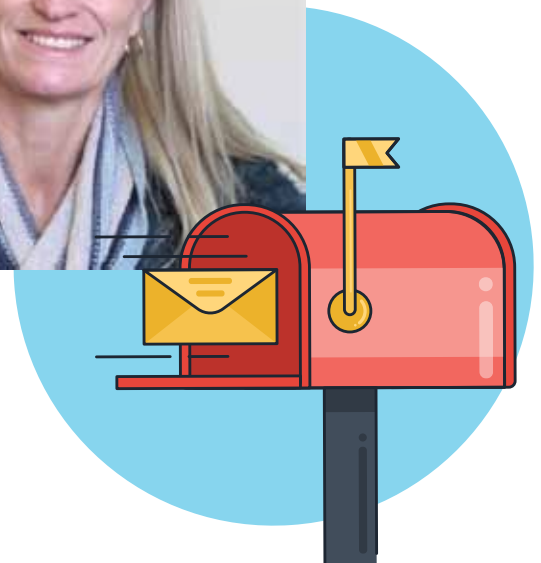

We have further looked to increase assistance to families with multiple children in our school. Two children family discount has been increased by 33% (R400 off) and three children family discount has been increased by 12,5% (R900 off).

Even though the school's expense lines are projected to increase by 7,6% on next year's budget, we believe that with prudent financial management and prompt paying of

fees, we can get by with the reduced fee increase. Parents can assist us by ensuring that fees are paid on time before the 7th of each month, and if possible we are grateful to our parents who can afford to pay annually in advance, as this allows us to settle big expenses early in the year.

Please will you take note of the detailed fee schedule in this King's Ken in order to accurately plan for next year.

KIND REGARDS
GWYN HANNINGTON.

TKSWR SANITARY PAD DRIVE

We are glad to announce that throughout the term, we have received many donations of sanitary pads.

For the past term we have encouraged students to donate sanitary pads for girls in underprivileged areas who are unable to afford this basic need.

Students have participated and the class who donated the most would receive a prize. Congratulations to 7ST, who had donated more than 350 sanitary pads!!

We are extremely thankful for all of our students, our teachers, Mrs Thurman and Mr Cruz and for the Bright Futures Organization who has facilitated this project – by Michaela Vice (Gr11) and Bulali Fadane (Gr12) our Student Project Co-ordinators.

Bright Futures Organisation Reps: Pad drive collection this afternoon. Thank you so much for the commitment you have shown in this initiative.

There were even schools from Zimbabwe. 10 medals were earned between 5 of the athletes!
