# From the Principal's desk

As an institution of learning, we at The King's School West Rand, are dedicated to providing a holistic education - we want our students to learn how to flourish in the world. This means that the education we offer promotes student development in the academic, physical, spiritual, emotional and social spheres. We are not satisfied to adopt the empty vessel theory of learning that assumes children's minds must just be crammed with more and more information at school.

In today's digital age, knowing that children have all the information they need on their device, we need to teach them how to think, how to weigh information to produce wisdom. We don't want children just to be informed, we want them to be transformed.

Our school has produced a set of Expected Student Outcomes that define the goals we hope to achieve in our education programme. They are divided into 4 categories of holistic education - **academic, skills, spiritual formation and biblical worldview**. Please familiarize yourself with the Expected Student Outcomes below and pray for us as a school as well as for your child that God will grant us success.

## EXPECTED STUDENT OUTCOMES

The King's Education Group will provide a graded, progressive and age-appropriate educational programme which will produce students who:

- 1.....are well-prepared in all academic disciplines. (Academic)
- 2.....use their God-given gift of creativity to imagine and apply redemptive solutions to real-world problems. (Skill)
- 3.....consider learning as a lifelong joyful activity that is forming who they are becoming and maintain a growth mindset in this shaping process. (Formation)
- 4.....accept that their work is a calling and embracing it as worship to God. (Worldview)
- 5.....can explain how their Christian worldview differs from opposing worldviews. (Worldview)
- 6.....actively pursue a deepening personal relationship with the Lord Jesus Christ and commit to practising spiritual disciplines to grow their faith. (Formation)
- 7.....extend themselves to engage in critical thinking, deductive reasoning, inferential thinking and problem-solving, and are not passive learners who focus on memorising facts and reproducing content in tests. (Academic)
- 8.....exercise a thoughtful stewardship of God's creation, as well as their time, finances and other resources. (Skill)
- 9.....understand that none of their learning content is value-neutral, but that all curricular material has God-given meaning and can be purposed (or repurposed) for God's glory. (Academic)
- 10....regard life as sacred, value all diverse people as created in the image of God and actively seek inter-racial unity by "crossing over to the other side". (Formation)
- 11....love the community of faith and actively seek fellowship with other Christ-followers including opportunities for corporate ministry. (Worldview)
- 12....value and engage in appropriate community service, with an emphasis on promoting justice, mercy and peace-making. (Skill)

# UGANDAN PRESIDENT'S ADDRESS TO HIS NATION

## ...A WISDOM TO SHARE

Uganda President KAGUTA MUSEVENI warns against people misbehaving during this COVID-19 period, "God has a lot of work, He has the whole world to look after. He cannot just be here in Uganda looking after idiots...".

Below is his reported statement.

"In a war situation, nobody asks anyone to stay indoors. You stay indoors by choice. In fact, if you have a basement, you hide there for as long as hostilities persist.

During a war, you don't insist on your freedom. You willingly give it up in exchange for survival.

During a war, you don't complain of hunger. You bear hunger and pray that you live to eat again.

During a war, you don't argue about opening your

business. You close your shop (if you have the time), and run for your life. You pray to outlive the war so that you can return to your business (that's if it has not been looted or destroyed by mortar fire).

During a war, you are thankful to God for seeing another day in the land of the living.

During a war, you don't worry about your children not going to school. You pray that the government does not forcefully enlist them as soldiers to be trained in the school premises now turned military depot.

The world is currently in a state of war. A war without guns and bullets. A war without human soldiers. A war without borders. A war without cease-fire agreements. A war without a war room. A war without sacred zones.

The army in this war is without mercy. It is without any milk of human kindness. It is indiscriminate - it has no respect for children, women, or places of worship. This army is not interested in spoils of war. It has no intention of regime change. It is not concerned about the rich mineral resources underneath the earth. It is not even interested in religious, ethnic or ideological hegemony. Its ambition has nothing to do with racial superiority. It is an invisible, fleet footed, and ruthlessly effective army.

Its only agenda is a harvest of death. It is only satiated after turning the world into one big death field. Its capacity to achieve its aim is not in doubt. Without ground, amphibious and aerial machines, it has bases in almost every country of the world. Its movement is not governed by any war convention or protocol. In short, it is a law unto itself. It is Coronavirus. Also known as COVID-19 (because it announced its destructive presence and intention in the year of our Lord 2019)

Thankfully, this army has a weakness and it can be defeated. It only requires our collective action, discipline and forbearance. COVID-19 cannot survive social and physical distancing. It only thrives when you confront it. It loves to be confronted. It capitulates in the face of collective social and physical distancing. It bows before good personal hygiene. It is helpless when you take your destiny in your own hands by keeping them sanitized as often as possible.

This is not a time to cry about bread and butter like spoilt children. After all, the Holy book tells us that man shall not live by bread alone. Let's obey and follow the instructions of the authorities. Let's flatten the COVID-19 curve. Let's exercise patience. Let's be our brothers' keeper. In no time, we shall regain our freedom, enterprise and socializing."

In the midst of EMERGENCY, we practice urgency of service and the urgency of love for others. God bless us all.

**THE BEST AND MOST INTELLIGENT PUBLIC SPEECH EVER MADE DURING COVID-19. HATS OFF TO HIM. SALUTE A GREAT LEADER.**
