From the Principal's desk

Blessed are those who mourn, for they will be comforted.

Today our hearts are broken to hear of the death of Chantelle Gutura, after developing septicaemia. We cannot begin to imagine the grief of this family and we have no words to offer. All we can do is express compassion. The word compassion means "to suffer with" and this is what we do at this time.

We can also point to the one who suffered for all of us in order that we might find an eternal home with him in paradise. This is Jesus, who was willing to leave his heavenly throne to take on the form of man and live among us and experience our suffering. After his resurrection he returned to prepare a place for us, but sent his Holy Spirit, the Comforter to us to walk alongside us and give us his peace.

To the Gutura family, may you grieve but not as the world grieves. Let us grieve with the hope of eternity in our hearts. As a school, we pray that you will experience God close to you, gathering you to his heart and showering you with love.

We will be creating an opportunity for parents to leave a note, flower arrangement or garland at the front gate in remembrance of this brave little girl. This will be available on Monday should you wish to show your support to the family and honour Chantelle.

Mr. Ken Langley
Principal

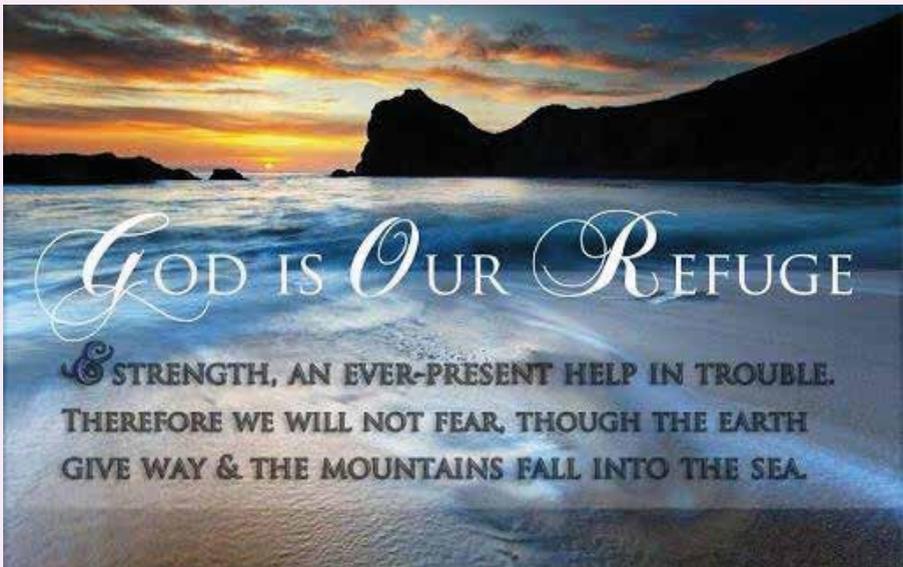

Sincere Condolences

We extend our deepest condolences to our Gutura Family on the passing of their daughter Chantelle in Grade 5.

Chantelle's bubbly presence in the classroom and on the sports field will be greatly missed, but never forgotten.

We are thinking of you as our hearts ache for your family. May God be with you in this very sad time. May He surround you with His loving arms, comfort you and give you peace.

Please Note: In case of absenteeism a doctor's note must be provided for all summative assessments (tests, orals, practical assessments etc) missed.

SWIMMING

On Saturday 5 March we took part in our very first swimming gala. It was no ordinary gala but the SACSSA Swimming Championships. There were swim teams from KZN, Magalies and some from the G7 area including The Kings School Robin Hills who dominate the championships every year.

We would like to congratulate our pioneering swim squad on their fantastic performance at this Championship as this was their first gala as a team. Our swimmers managed to rake up 10 medals amongst themselves before the event was called off due to rain. Considering our team had only four weeks to prepare they performed exceptionally well.

Overcoming lots of anxiety, self-doubt, stage fright and for most swimmers, a 50 meter pool, they took up the challenge with heart and gave it their best shot. TKSWR swimming squad has done the school proud and let the G7 region know that The Kings School West Rand swimming squad is on the map. Watch this space!

Please Note: In case of absenteeism a doctor's note must be provided for all summative assessments (tests, orals, practical assessments etc) missed.
