From the Principal's desk

Dear Parents

Thank you to every person in our community for a great term together. When God calls us all into community, it is for purposes of peace, celebration, service and love – always with Christ at the centre.

Every student, teacher and parent has contributed to instilling what the Bible calls the 'bond of peace' and the 'unity of the Spirit' that develops among Christ-followers in the same place. Thank you for this, and especially when it was in a time of personal struggle. Your sacrificial service of others is a picture of Christ and emphasized his instruction – 'They will know you are my disciples by the love you have for one another'.

God was glorified in some great events this term: The Fun Run, The Entrepreneurship Day, the Fun Day (Spring Day), Shaveathon, the Prayer Walk, High Tea and many others. But precious to God will be the person on person support and love that was shared.

Have a great holiday, King's community.

Mr. Ken Langley
Principal

Daughter of the King morning

On Saturday 17 September the Moms and Daughters enjoyed a morning filled with laughter, love and remembering that we are daughters of the most High and stepped into our roles as Warrior Princesses.

Thank you to every mom and daughter who attended our very special morning.

Please Note: In case of absenteeism a doctor's note must be provided for all summative assessments (tests, orals, practical assessments etc) missed.

Outing to Husky Heaven

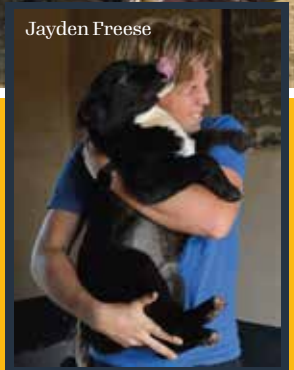

Twenty grade eleven learners spent Saturday, 17 September 2022, at Husky Heaven for their Life Orientation's community service hours.

It was a fun-filled day playing with the dogs, painting planks for new homes, and just serving the rescue centre.

Mrs. Brenda Meyer was delighted by how compassionate the learners were and their willingness to help and give the necessary love the dogs deserve.

Dear Parents of The King's School West Rand,

Thank you so very much for your support and contributions to our outreach and disaster relief programmes this year. We have partnered with HEF (Humanitarian Empowerment Fund) to assist in distressed communities.

Your contributions through the course of this year have helped to achieve the following:

1. Over **600 children** from low-income families received **Stationery Kits**
2. **30 Tons of water**, food, toiletries, mattresses and blankets delivered to help those affected by the **KZN flood disaster**
3. Partnership launch with **AFC Bournemouth** (English premier league team) - **Soccer community development 2022 -2026**
4. A **water filtration system** connected to a bore hole was installed at **Haven of Rest, Tongaat**. The centre looks after **150 people** and the lack of water has been an immense struggle.
5. **Community bakeries** established in **Zenzele and Alexandra**. Providing jobs, bread for surrounding community support establishments and these communities benefit from low-cost bread.
6. Over **600 underprivileged school children** received a shiny brand-new pair of **school shoes and warm socks** on Youth Day.
7. The **Grow your own Food programme** is providing 15 tons of **fresh vegetables every month**. In 2022, to date, around 30 000 new seedlings have been planted in 32 community gardens as well as many home gardens.

All of these things positively contribute to holistically support and build communities within our beautiful land, South Africa.

We thank Mr Clete Stevis, Director of HEF for ensuring that we can assist distressed communities with trusted relief programmes.

PRAYER DAY

The high school learners revealed some meaningful insights and reflections from their prayer day journey, including hearts bent towards mission, our need to steward our resources better and compassion for the poor and needy. Learners also expressed gratitude for their support structures (which included family, friends and the school community).
