our
VISION STATEMENT

Our vision statement
at The King's School West Rand is

EXCELLENCE IN EDUCATION TO THE GLORY OF GOD

It might have just been "Excellence in Education" because we believe that any excellence in education would naturally bring glory to God since such education would reflect the source of all truth in education, the God of the universe, and would be excellent since it will equip the student for life with godliness.

In the past, Christian Education was sometimes regarded as inferior because Christian private schools emphasised personal piety and devotion to God, but lacked academic rigour and thorough mastery of learning outcomes. We believe that it is possible to achieve both personal piety and academic rigour by teaching in a holistic way encompassing academic knowledge, value and attitude formation and also development of essential skills. In fact, we not only believe it is possible to teach in this way, we believe it is **necessary**.

Year after year we see the fruit of faithfulness in our striving for excellence in education, as our students receive outstanding Matric results and go on to excel at university and the workplace. Many of those are now serving in society not simply to earn great salaries, but to endeavor to find solutions to real-life problems in South Africa for the common good of all its peoples.

While we honour these hope-bringers, we even more want to bring glory to our Lord Jesus Christ, who is the reason for our hope, the source of our authority and the refuge and fortress for us in times of trouble.

"Let us not grow weary of doing good, for at the proper time we will reap a harvest if we do not give up."
Galatians 6:9

-MR. KEN LANGLEY, PRINCIPAL

IMPORTANT NOTICE REGARDING PAYMENT OF SCHOOL FEES

For any private school to function effectively, it is of the utmost importance that school fees are paid regularly on or before the 7th of each month. Late payment of school fees can severely impact our cash flow and consequently disrupt operations.

Many schools have multiple levies included on school fees, at The King's School we have only one – the Fundraising levy. This is a compulsory levy and is used by the school to finance projects of direct benefit to our students, such as, for example, the swimming pool.

We appeal to parents to ensure prompt payment of school fees, in full in order to ensure that we are able to pay all salaries and deliver a great service – Excellence in Education to the Glory of God.

Pizza Fun

The Nursery School is learning about healthy food and we were blessed by Belfiore Italian Deli with pizza kits, where the children got to make and eat their very own pizza.

Easter Egg Drive

It is that time of the year again, where we as a school, would like to bless those less fortunate than us. We have teamed up with Africa Food for Thought and Humanitarian Empowerment Fund to collect marshmallow Easter Eggs for families with orphaned or vulnerable children. Our target is to collect 40 000 marshmallow Easter Eggs and the Easter Egg drive is simply to bless the children.

Africa Food for Thought is a non-profit, volunteer-driven organisation working towards food security for more than 18 000 children in Western Johannesburg in support of education. They believe that if children do not have to worry about their next meal, they can concentrate at school, perform better and this may equip them to escape the poverty cycle.

The Humanitarian Empowerment Fund is driven by Love and Compassion and their sole purpose and mission is to **HOLISTICALLY** change the circumstances of people and communities to empower them.

The marshmallow Easter Eggs can be given to Teacher Gretel (Intermediate Phase), Teacher Ashley (Foundation Phase) and LRCs (High School) up until 3 March 2023.

We look forward to working with our parents and learners on this exciting project!
