PRINCIPAL'S DESK

Shaping the next generation of world-changers

The King's School follows a set curriculum from Nursery School, Preschool and Grade One to Grade 12 that provides an international standard of education. But over and above curriculum we understand the need to produce well-rounded students, mature in their faith, grounded in character, skilled in disciplines and passionate in using their gifts.

Our aim is to equip students who:

1. ...achieve good academic results.
2. ...will strive to use their knowledge to fix problems in our society.
3. ...view learning as an ongoing activity that shapes and grows them throughout life.
4. ...will see their future profession as a calling from God.
5. ...can see the world through God's eyes and with his love.
6. ...seek a personal relationship with Jesus Christ and follow him as Lord of their life.
7. ...extend themselves to master and apply what they learn at school.
8. ...be good stewards of all that God has given them.
9. ...develop a godly character, loving God and loving people.
10. ...believe that all human life is sacred.
11. ...will join a local church and serve regularly in it.
12. ...reach out in loving service to the poor, marginalised and destitute in their area.

- Mr Ken Langley, Principal
