MORE
ESSENTIAL
soft skills

From the PRINCIPAL'S DESK

Dear Parents,

It was wonderful seeing so many parents and families at the Fun Run & Market Day this past Saturday. A stronger school community creates a better environment for our learners to grow and flourish, and events like this help build that sense of togetherness. Thank you for being so supportive!

Continuing from our previous discussion on essential soft skills, here are more skills that can significantly boost your job search and career success:

Organizing your work and planning your schedule helps you complete tasks efficiently before deadlines. This skill ensures that you deliver quality work by being resourceful and prioritizing your activities effectively.

Leadership involves managing a team, motivating them, and helping them achieve both company and individual goals. A good leader sets benchmarks, understands team strengths and weaknesses, and promotes a positive approach to achieving desired outcomes.

Time management enhances your ability to deliver productive and efficient work. Completing tasks before deadlines builds credibility and ensures error-free outcomes.

Prioritizing work according to requirements is a crucial skill for handling larger assignments.

Colossians 3:23 (NIV) reminds us, **"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters."**

These organizational skills often reflect our dedication and discipline as we strive to live in alignment with God's teachings.

As a school, we emphasize these skills, helping our students develop strong organizational habits. Moreover, these skills are often learned when learners participate in the extra-mural activities of the school. Participation in sports, clubs, and other extracurricular activities can teach students valuable lessons in planning, leadership, and time management, all while fostering a sense of community and teamwork.

We look forward to continuing to support your children in developing these essential skills, both inside and outside the classroom.

Difference

BE THE DIFFERENCE

Written by Gabby Henry (Gr9 LRC)

In Mark 2:2-11, we encounter a story that beautifully illustrates the power of faith, determination, and the impact of being the difference in someone's life.

The scene is set in a house crowded with people eager to hear Jesus speak.

Among the crowd are four men carrying a paralyzed friend on a mat, desperate to bring him to Jesus for healing. The house is so packed that they cannot get through the door, but they refuse to give up. Preserving through the obstacle, they climb onto the roof, make an opening, and lower their friend down to where Jesus is teaching. Their boldness and determination are rewarded when Jesus, seeing their faith, says to the paralyzed man, "Son, your sins are forgiven." This statement causes a stir among some religious leaders present, who question Jesus' authority to forgive sins. To demonstrate His authority, Jesus then commands the man to get up, take his mat, and walk home, which he does, to the amazement of everyone watching.

This passage highlights the importance of being the difference in the lives of others. The four friends did not let the barriers stop them; they saw a need and took action. Their faith wasn't passive; it was active, driving them to find a way where there seemed to be none. They didn't just wish for their friend's healing—they made it happen by doing whatever it took to bring him to Jesus.

In our own lives, we are often faced with situations where we can choose to make a difference or stand back. The story of these four friends challenges us to take action, even when it's difficult or inconvenient. Being the difference means stepping out in faith, finding creative solutions, and sometimes going against the grain to help those in need. Moreover, Jesus' response to the situation teaches us about the deeper needs of those around us.

While the friends sought physical healing for their companion, Jesus first addressed the man's spiritual need by forgiving his sins. This reminds us that being the difference isn't just about meeting immediate, visible needs but also about caring for the deeper, often hidden, aspects of a person's well-being. In a world that often prioritizes self-interest, the example set in Mark 2:2-11 calls us to be the difference by acting in faith, compassion, and perseverance.

It encourages us to not only bring others closer to healing and wholeness but also to break down barriers that stand in the way of true transformation.

HIGH SCHOOL & PRIMARY SCHOOL CROSS COUNTRY

During the Cross Country season, two of our Gr 11 Learners helped officiate the 4 league races each Friday afternoon. Thank you Tshiamo Mooki (L) and Lasten Phiri (R), we appreciate your willingness to serve and for being diligent each week.

SACSSA Athletics

We participated at SACSSA Athletics on Saturday, 31 August 2024 at D P de Villiers Stadium, Sasolburg. SACSSA also involved Athletics clubs in this competition to improve the competitiveness. For the first time, we included The King's School Muldersdrift as part of our athletics team. Out of 52 athletes, we achieved 42 medals and 47 qualifications to nationals.

In 2023, we only had 8 medals, 3 of which came from 1 person. This year, it climbed to 42 medals. Well done to all the athletes involved!

Congratulations once again to all these athletes that made it through to nationals. It's a worthy achievement. They will be competing against the likes of Zimbabwe and Namibia, amongst other provinces on Friday and Saturday, 20-21 September 2024 at D P de Villiers Stadium, Sasolburg. Those who did not qualify have learned valuable lessons that we will take to the rest of the season.

Spring has sprung at TKSWR Nursery School!

Despite the chilly weather, our little ones' spirits were bright and bold as they celebrated Spring Day with us on Friday 30 August!

Dressed in vibrant colors, they enjoyed a sweet treat of doughnuts, had a blast with balloon play, and got creative with their teachers' guidance by planting their very own flowers in personalized tins.

This special day was a beautiful reminder of God's promise in Hosea 6:3 - "As surely as the sun rises, He will appear, He will come to us like winter rains, like the spring rains that water the earth."

Spring Fun Day 2024 Soccer & Netball Tournament

On Saturday, 31 August our school hosted the Annual Fun Run, Soap Box Derby and Gr7 Market Day. This year we included a netball and 6-a-side soccer SpringFest Tournament. 12 Soccer Teams entered, made up of parent teams, Gr10 -12 learner teams, coaches and 2 alumni teams. A competitive and fun day was had by all. Well done to our finalists: 90ties vs Kaizer Thieves. Congratulations Kaizer Thieves who won the final on penalties: 4 - 3. We look forward to seeing you all compete at the 2025 SpringFest Tournament.

We were thrilled to have four Netball teams participating: Shooting Stars, Vutha, Mumzitho, and Teletubbies. Our festival was inclusive of teachers, students, and parents, making it a wonderful community event.

Shavathon: Supporting the Fight Against Cancer

Join us for our Shavathon event, where we'll be shaving or spraying heads to show our support for those affected by cancer! This powerful gesture represents solidarity with cancer patients who have lost their hair due to treatment.

Why We Shave?

- To raise awareness and funds for cancer research and support services
- To show solidarity with cancer patients and their families
- To inspire hope and courage in the face of cancer

Our Goal

- To raise funds for local cancer organizations
- To create a supportive community for those affected by cancer

Together, We Can Make a Difference!

Join us for an inspiring and uplifting event that will help change lives. Let's shave and spray our way to a cancer-free future!
