OTHER BOOKS:

If children have other dictionaries already they may be used, but if buying a new dictionary, invest in these. These dictionaries can be used all the way into High School if looked after.

English dictionary (Oxford English Dictionary) not Oxford School ISBN: 9780195780581

English / Afrikaans dictionary (Pharos) ISBN:9781868901289 or 9781868900596

(Afrikaans dictionary does not need to be brought to school, this is for use at home)

PLEASE NOTE:

1. ALL stationery and exercise books must be purchased by the parents and brought to school on the 1st day of the school year.
2. All stationery must be clearly marked. Learners do not need to send all of the stationery for the year to school. They must be adequately prepared for the school day. Parents please keep the excess stationery at home, so that when your child needs it during the course of the year he/she has access to it.
3. **Do not cover exercise books.**
Instructions for labels and plastic covers will be given to the children on the first day of the term. All of the exercise books will be covered in class (teachers will provide a cover page for the books) during the first week of the school year. It is therefore essential that ALL of the exercise books requested are brought to school.
4. Parents please cover your child's **textbooks** in plastic or contact adhesive.

Exercise Books needed per subject:
