Dear Grade 3 to 6 Parents,

TEXTBOOKS 2022

We are continuously reviewing the process of purchasing textbooks and have opted to outsource, once again, the procurement of the bulk of our textbooks from PNA Featherbrooke. There are, however, still some books that can only be purchased through the school.

Attached you will find two textbook order forms, namely: PNA order form and a School order form.

The PNA order form

This form must ***not be returned to school*** but must be ***handed in at the PNA at Featherbrooke***. The manager at this PNA has been very kind to give you and us as a school a substantial discount on the books. Please ensure that you take the order form with your selection indicated on the form to them ***on or before 31 October*** after which he will order the books in a bulk order. Any order after the 31st of October will only be processed in the middle of November which is not ideal as delays in the delivery of your order may occur.

School order form

This form must ***be returned to the school by 21 September***. These books will be ordered in bulk from the publishers directly because these books are substantially more if bought through a supplier. No late orders will be accepted. Parents will be advised to source the applicable books themselves after 21 September.

Parents will be invoiced for these textbooks/workbooks on their November school account. These textbooks and workbooks will be available to the learners at the start of the 2022 school year (possibly earlier - we will inform you timeously).

New books and books that can't be purchased 2nd hand.

Most of the textbooks have remained the same for 2022 from 2021. The table below has been added for your convenience, especially for the parents/learners who would like to purchase second hand books from current learners. The table below indicate which textbooks are new to 2022, and which manuals cannot be purchased second-hand.
